

PROJECT YUG PARIVARTAN Charter

"A Mission to Catalyze the Golden Age of Humanity"

Preamble

“We, the visionaries, volunteers, and leaders of Project Yug Parivartan, take a collective sankalp (sacred resolve) to awaken a new Golden Age grounded in dharma, unity, and enlightened leadership. In devotion to the timeless wisdom of Bharat and in alignment with universal consciousness, we solemnly proclaim this shared commitment to initiate an era of profound transformation.

This Charter stands as the sacred document that outlines the vision, values, structure, and strategies of the Yug Parivartan (Era Transformation) Mission.”

Vision

To catalyse a civilization-wide transformation rooted in timeless wisdom, modern leadership, & ethical innovation.

Mission

To unite changemakers to elevate consciousness and lead systemic reforms through shared purpose.

Strategic Objectives

- Train 1-million Self-Actualized Leaders through SALDP (Self-Actualized Leadership Development Program).
- Build civilizational reforms Networks – GAVN, GABN, SALN, SRMN – to align volunteers, businesses, leaders, and mentors.
- Create and Execute Projects that address root causes of societal dysfunction and global suffering.
- Establish the Golden Age Ecosystem, including PYP WISE villages and towns, conscious technologies, and spiritual systems.
- Inspire Systemic Reforms in education, governance, economics, environment, and global consciousness.

Core Values

- Dharma – Alignment with universal truth and righteous action.
- Satya – Commitment to absolute honesty and transparency.
- Seva – Selfless service towards collective upliftment.
- Samarpan – Devotional surrender to divine guidance and collective mission.
- Sankalp – Resolute inner intention for transformation of self and society.

Guiding Principles

- Root-Cause Thinking over symptom-level activism.
- Inner Transformation Precedes Outer Change.
- Collective Consciousness is the True Superpower.
- Spirituality and Science Must Co-Lead the Future.
- All Solutions Must Be Holistic and Sustainable.

Network Architecture

- **GAVN – Golden Age Volunteers Network**
